Hi Frank and Rob,

Happy New Year! I hope all is well with you, and your colleagues.

Well, I guess you're already aware that we'll need to close out the EPA portion of your Children's Center grant soon. Since the last project period ended on 10/31/10, the final report is due at the end of this month. I'll understand if you need more time, we would rather have a more complete report instead of something that is incomplete because you rushed to meet the deadline. So please let me know what you estimate would be a reasonable due date.

Thanks, Frank and Rob!

Warm regards,

Rich
